## SKILLS

Git	Microsoft SQL Server	Data Structures
Algorithm Design & Analysis	Object-Oriented Programming	
React Native	Adobe XD	MIPS Architecture
UX/UI Design		

## EXPERIENCE

### Project Coordinator

#### Keller Foundations

📅 07/2017 - 05/2019 📍 Edmonton, Alberta

- Managed multiple projects simultaneously by procuring materials and coordinating labour, tracking production through site visits and foreman reports, and acting as a liaison between multiple subtrades and clients to ensure successful completion of projects
- Performed preliminary design for piles and other foundation structures given the soil parameters and geotechnical site information to provide realistic estimated cost for bid projects
- Improved communication skills by functioning as a communication link and relayed essential drawings and information regarding project changes to the site foremen, project manager and contractors in the job as well as pile tracking information

### Asphalt Quality Control Technician

#### Lafarge

📅 05/2013 - 12/2013 📍 Edmonton, Alberta

Conducted asphalt tests, documented and analyzed findings to ensure compliance to client specifications

- Improved time management, multitasking, and prioritization skills by conducting multiple simultaneous tests under a specific period of time
- Developed solid communication skills and teamwork through continuous exchange of information with site-superintendents, contractors, and other coworkers

## PROJECTS

### Quiz Mobile App

📅 08/2021

Created a mobile application using React Native and JavaScript. User would select an answer out of the four choices in each of the set of five questions. The player's score is then presented at the end, indicating if the player failed or passed the quiz.

### Construction Website

📅 12/2021

Conceptualized a responsive website design, created a wireframe, hardcoded the final product using HTML, CSS and Javascript and deployed on a web hosting provider.

## PROGRAMMING

Java	<div><div></div></div>
C	<div><div></div></div>
SQL	<div><div></div></div>
Python	<div><div></div></div>
HTML	<div><div></div></div>
CSS	<div><div></div></div>
JavaScript	<div><div></div></div>
C#	<div><div></div></div>

## STRENGTHS

### Oral and Written Communication

Worked extensively as a project coordinator for 2 years to relay information between the office and field

### Time Management

Managed multiple projects simultaneously as a project coordinator

## EDUCATION

### B.Sc. Computer Science

#### MacEwan University

📅 09/2019 - Ongoing

GPA

3.9 / 4.0

- Currently completing a major in the general stream of computer science with a minor in digital experience design

### B.Sc. in Civil Engineering

#### University of Alberta

📅 09/2011 - 04/2016

- Completed the 5-year co-op program and accumulated working experience under multiple companies
